QUOTATION

Mazegrass is a UK established company with over 10-years of experience in the supply and installation of artificial grass. Since becoming established in 2009, the brand has gone from strength to strength, opening up in Australia, Dubai and South Africa.

Whether you are looking for an area of your garden for your family pet, require safe, strong groundcover for a private play area, or simply want to give your entire garden a makeover, Mazegrass has an artificial grass product that is a perfect match for your needs.

Benefits

Mazegrass artificial grass has many benefits. It is durable, aesthetically pleasing and ideal for an effective, hassle-free lawn. It requires no watering, thereby reducing your water costs. It is child and pet friendly, and is UV protected so will stay looking green and lush all year round.

Low Maintenance

No Watering

Our Services

For Your Home

Mazegrass has a footprint of business across all residential communities in Dubai. We provide appropriate solutions for residents on a daily basis. Whether it be your backyard or balcony, Mazegrass has got you covered.

For Your Business

Mazegrass understands the importance of cutting costs when running a business. By investing in artificial grass, you can reduce your water bill by up to 70%. We have transformed a large number of communal areas for Hotels, Developments and Schools across the UAE.

For Your Client

Mazegrass works with a number of contractors across the UAE, supplying them with the highest quality artificial grass available in the market. We provide competitive trade rates and can also assist with the installation of the specific type your client has approved.

For Your Pet

Mazegrass has a range of products suitable for pets, all the artificial grass products within our range are lead-free. Each type within the range at Mazegrass is permeable which makes it easy to maintain and clean.

Our Products

 **venice30^{mm}**

 **sienna33^{mm}**

 **regal38^{mm}**

 **naples40^{mm}**

 **venice30^{mm}** is the shortest pile within our range, perfect for families with pets and children. It also looks very natural in appearance.

 **sienna33^{mm}** balances both durability and aesthetics. Suitable for high traffic areas whilst maintaining a natural appearance.

 **regal38^{mm}** is the best seller within our range. A premium grass which is dense, resilient and soft to touch.

 **naples40^{mm}** possesses the highest pile in our range, suitable for everyday purpose with an amazing feel.

Our Products.

Mazewall is the perfect feature to add to any indoor or outdoor space. The artificial green wall panels offer exceptional designs and quality. In contrast to a natural planter wall, Mazewall requires no watering and minimal maintenance. Combining that with a natural look and aesthetically pleasing appearance, Mazewall is recommended by a vast number of interior and exterior designers across the UAE.

Before

After

Mazegrass provide the highest level of service, with the best quality products.
